Draft response_Q1and2.docx

All,

Thought I would get this rough first draft to you for review as I know a few of you are off tomorrow.

I wrote this long and with some depth knowing we would cut away at it but also because it can be used as we move forward for other purposes.

Have at it and get me your edits/comments in track change ASAP so I can revise and get to Dennis, Michelle and others that may need to look at this regionally. Reminder this is due to HQ COB Monday.

Thank you,

Peter
